

Sacred Heart Endowed Chair Symposium

Slavery in the Land of the Free: Insights on Human Trafficking & Modern Day Slavery

Theresa Flores

November 19, 2020

Overall Objectives: The Learner will be able to learn how prevalent Human Trafficking is in the US, a survivor's story, and the personal and evidence-based therapeutic recommendations on restoring victims.

Schedule & Objectives:

7:30-8:00 Registration (Vendors, Book Purchase, & Research Displays)

8:00-9:00 Human Trafficking 101

Objective: To know how prevalent human trafficking is in the US. The statistics & places it happens as well as WHY this is occurring.

9:00-10:00 Physical and Emotional Implications of Human Trafficking upon a Victim & The mindset of a Victim and Post-Traumatic Stress Disorder (PTSD)

Objectives: Learn what can happen to a Victim physically & emotionally when they are trafficked. Why does a victim stay in this & not reach out for help? Learn why they stay silent.

10:00-10:15 Break (Vendors, Book Purchase, & Research Displays)

10:15-11:15 Learn what perpetuates Human Trafficking & how Demand for sex for sale is here is different than other countries & Learn what our laws are doing about Human Trafficking

Objective: Demand-Why Human Trafficking is this prevalent and the Law.

11:15-12:15 Lunch on Your Own & Book signing opportunity

12:15-1:15 Therapeutic recommendations & The SOAP Project & Other Resources

Objective: What can be done? Recommendations based Evidence Based Practice to prevent trafficking as well as how to treat & restore Victims.

1:15-1:35 Call to Freedom

Objective: Learn about SD resources and training opportunities

1:35-1:50 Break (Vendors, Book Purchase, & Research Displays)

1:50-2:50 Hear a Victim's story of how they became Trafficked & What made them vulnerable & Discussion about Story

Objective: Theresa's Story

2:50-3:00 Online Evaluation, Book signing opportunity, & Adjourn
